consist of the most eye opening political articles from the bri's 25 year history plus a few all new pieces ripped from the election year headlines so do your civic duty and read about toilet diplomacy gingrich vs the glitterati why a donkey why an elephant animals that ran for office and won the island election that was buried by a volcanic eruption the birth death and rebirth of america's major political parties why the first u.s congresswoman had to hide in a phone both the rapper who nearly took a swing at romney the russian czar who taxed the human soul the secret plot to take down fdr poisonous pundits and much much more

recent electoral seasons in american politics demonstrate women's keen interest involvement and influence as candidates and officeholders women possess political ambition albeit in varying degrees and as such women seek opportunities to be politically engaged and affect america's representative institutions this book analyzes why american women run for political office and explores how political role models identified as publicly elected officials and or those who have served in the political arena have greatly motivated women to run for higher political office including seats in the u.s congress and state governorships evidence from personal interviews with ten congresswomen and fifty five female state legislators reveals the ambitious nature of female politicians the encouragement of political factors in their decisions to advance in politics and their perceived responsibility to be role models to other women moreover in studying thirty five years of elections data i find substantial support for how female political role models influence female state legislators candidacies and electoral outcomes to higher office this work highlights the importance of women as symbolic representatives female politicians are instrumental in emboldening a new generation of women to engage in politics role models in politics indeed have a purpose and an influential nature

an inspiring history of all the women who have taken a seat in congress for the first 128 years of america's history only men served in the senate and house of representatives all that changed in january 1917 when jeannette rankin was sworn in as the first woman elected to congress from the women's suffrage movement to the 2018 election ilene cooper highlights influential and diverse female leaders who opened doors for women in politics women featured include nancy pelosi the first woman speaker of the house margaret chase smith the first woman elected to the senate patsy mink the first woman of color to serve in the house and newcomers like representatives alexandria ocasio cortez and ilhan omar this updated book includes archival photographs and lively illustrations from elizabeth baddeley as well as a chart of all the women who have served in congress appendices that define key terms and governmental procedures and an index in a great new reading format this updated revised edition is perfect for young feminists

provides timely comparative analysis from internationally known contributors

recent history suggests the united states is within reach of its first woman president this book examines the media experiences of women political pioneers who helped pave the way to the breaking of the glass ceiling it analyzes newspaper treatment of four pioneering politicians between the 1870s and 2000s and explores how media discourse of women politicians has and hasn't changed over 150 years the women featured are victoria woodhull the first woman to run for president jeannette rankin the first woman elected to congress margaret chase smith the first woman to receive a presidential nomination at a major party's convention and sarah palin the first

republican woman vice presidential candidate the social political and journalistic cultures of each woman's era are also explored to provide context for the women's media coverage the findings illustrate that the press has used a variety of discursive strategies to delegitimize the candidacies of women politicians throughout history which might have contributed to negative voter attitudes toward women in politics gendered stereotypes gendered news frames and double binds utilized in news coverage served to protect a male dominated status quo yet a significant finding in palin's coverage indicates that gender bias in news coverage is increasingly facing criticism suggesting the tide may finally be turning in favor of more equalized discourse
